KARNATAKA URBAN LAND TAX (AMENDMENT) BILL, 1979.

Motion to Consider

SRI B. BASAVALINGAPPA (Minister for Revenue).—Sir I move :

"That the Karnataka Urban Land Tax (Amendment) Bill, 1979 be taken into consideration."

The Question was proposed

There are two amendments contemplated in this amending Bill (1) with regard to empowering the officers for entry into the premises and make assessment of the tax that could be levied. (2) On hearing several representations from the public, the government have taken a decision to extend the area under exemption from 40x60 to 50x75' *i.e.*, from 2,400 sq. ft to 3,750 sq. ft respectively so that the benefit of exemption would accrue to some more small urban land holders. This provision shall be deemed to have always been substituted. This is a simple measure that has been brought with a view to help some of the persons who have been hard hit by this Act. I have nothing more to say.
